

*The Wanamaker Store*  
Store Closes at 5:30 P. M.

## To Make This Store

TO put up a great building is only one part of this business operation. Making it safe and convenient, arranged for the proper care and display of the various stocks, has been only the second part of the undertaking.

To get together the merchandise of proper textures and newness, in all desirable varieties for the business requiring two such buildings as now in use, called for the exercise of business wit beyond any previous experience.

Our conception of the needs of New York buyers and the progress of the store's work in preparing for these needs may be seen by the friendly or curious any day between 8:15 a. m. and 5:30 p. m.

A welcome to everybody.

The New Building—in the Restaurant and Picture Galleries—is a good place for friends to meet.

*John Wanamaker*

# W. L. DOUGLAS

BEST IN THE WORLD. \$3.50 SHOES FOR MEN

Do you wear W. L. Douglas shoes? If not, I believe I can give you good and sufficient reasons why it will pay you to wear them.

I give the wearer the benefit of my thorough and practical knowledge of shoemaking, which has extended over fifty years.

I give the wearer the benefit of my exclusive method of tanning the bottom soles, which makes them more flexible and gives longer wear than any other sole leather produced in this country.

As I am the largest manufacturer of men's fine Hand-Sewed Process shoes in the world, it is necessary for me to purchase leather and other materials in enormous quantities; the benefit of the very low prices I obtain I give to the wearer in superior quality over other makes.

If I could take you into my large factories at Brockton, Mass., and show you how carefully W. L. Douglas shoes are made, you would then understand why they hold their shape, fit better, wear longer and are of greater value than any other make.

W. L. Douglas, Brockton, Mass.

I take great pleasure in recommending the Douglas Shoe as the best \$3.50 shoe for comfort and wear. I have tried a number of others, and found nothing to equal them. B. SIMPSON, Importer, 95 Nassau St., N. Y. City.

These are a few of the reasons why I make and sell more Men's Fine Hand-Sewed Process \$3.50 Shoes than any other manufacturer in the world.

W. L. DOUGLAS \$4.00 GILT EDGE SHOE CANNOT BE EQUALLED AT ANY PRICE.

W. L. DOUGLAS BOYS' SHOES \$1.75 and \$2.00. JUST THE SAME AS MY MEN'S \$3.50 SHOES, THE SAME LEATHERS, FOR \$1.75 and \$2.00.
